MARCH 2010

SNOWSTORM HITS OUR AREA SCHOOL CLOSED FOR THREE DAYS

A late February snowstorm dumped 3+ feet of snow in the Roxbury area.

School was closed on the 24th, 25th, and 26th giving children an extended winter break.

We finished our unit on “LIVING IN AMERICA” and took a walk on Main St. to see buildings and businesses in Roxbury. We will be creating a map of Roxbury in computer class.

We are learning how to read a thermometer in math. We also started subtraction facts for -0,-1,-2.

March is FLOB month (FOR THE LOVE OF BOOKS). The theme is ROCK AND READ. If the students read 100,000 minutes, Mr. Windover, our principal will have to serenade us with a rock song at our last assembly on March 31st.

In reading and writing, we have been studying fairy tales in order to get ready to write our own versions. We will be drafting our own “fractured fairy tales” beginning with our own version of The Three Little Pigs.

We reached our goal of 30 compliments and got to have an “electronics party” on February 11th. Students got to bring in an electronics game of their choice. Mrs Riordan brought in her Wii and Ms. Ware loaned us her dance game.
