

September School Letter

Welcome to 6th Grade! This coming school year you will be having one homeroom, but many teachers. You report to the homeroom of the teacher who was assigned to you on your report card the last marking period. That is your homeroom for the year. As in the past, assignment notebooks (planners) will be given to each student on the first day of school.

The items you need to bring to be prepared for the first day of school include:

- **Pens, erasers and pencils – dark ink pens and #2 pencils (no red pens)**
- **Loose leaf paper to be used in all classes**
- **2 journals for Language Arts**
- **A small, separate 3 ring binder for science – not Trappers!**
- **A separate 3 ring binder for social studies (preferably a different color than science)**
- **A hand held calculator for math**
- **2 boxes of tissues for the homeroom**

As with this past school year, each student is expected to come to class with paper, pencil, notebooks, textbook and planner, homework and be in your seat by the second bell. Twenty points will be given daily and at the end of every week you will have 100 points to be counted as one homework assignment!

We know there is a lot of summer fun left yet, but you might want to start gathering some of these supplies as you find them. Have a great summer and we are looking forward to seeing you in September!

Sincerely,

Mrs. Rouleau

Ms. Johnson

Mrs. Kellerhouse
