Class Materials List for the 2010-2011 School Year

The RCS agenda planners will be provided by RCS. Having a flash drive, such as a jump drive, to facilitate the process of transporting saved work between home and school is also recommended.

* Presentations are an integral part of course evaluations and therefore students should have one outfit that is considered professional dress to deliver their presentations in. Suggestions include khakis and button-down shirts for boys and appropriate shoes, and skirts and blouses or dresses for girls. Black on the bottom and white on the top always looks professional, and dress code is in effect.

Math

Mr. Funck and Mrs. Johnston's Math Classes-

Math 7 and 8, Algebra I and Algebra II, Geometry, Advanced Algebra, AP Calculus, and SUNY College Algebra

- 3-ring, 2-inch binder WITH dividers
- loose-leaf paper
- mechanical pencils
- highlighter
- folder
- scientific calculator (TI30XIIS)

*Highlighter may be shared among classes.

*Calculators are provided at school, but students would benefit from home access to one. These calculators may be found in Walmart for \$10-\$15.
