## Roxbury Central School District Parents' Bill of Rights for Data Privacy and Security

The Roxbury Central School District is committed to ensuring student privacy in accordance with local, state and federal regulations and district policies. To this end and pursuant to U.S. Department of Education (DOE) regulations (Education Law §2-d), the district is providing the following Parents' Bill of Rights for Data Privacy and Security:

- A student's personally identifiable information cannot be sold or released for any commercial or marketing purposes.
- Parents have the right to inspect and review the complete contents of their child's education record. This right of inspection of records is consistent with the federal Family Educational Rights and Privacy Act (FERPA).
- State and federal laws protect the confidentiality of personally identifiable information and safeguards associated with industry standards and best practices, including but not limited to, encryption, firewalls and password protection, must be in place when data is stored or transferred.
- A complete list of all student data elements collected by the state is available for public review in an Excel file at <http://www.p12.nysed.gov/irs/sirs/documentation/NYSEDstudentData.xlsx>. Parents may also obtain a copy of this list by writing to the Office of Information & Reporting Services, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, N.Y. 12234.
- Parents have the right to have complaints about possible breaches of student data addressed. Complaints should be directed to: Thomas J. O'Brien, Superintendent, Roxbury Central School, 53729 State Highway 30, Roxbury, NY 12474. Complaints to the State Education Department should be directed to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; the e-mail address is [cpo@mail.nysed.gov](mailto:cpo@mail.nysed.gov). SED's complaint process is under development and will be established through regulations from the department's chief privacy officer, who has yet to be appointed.

### **Supplemental Information About Third Party Contracts**

In order to meet 21st century expectations for effective education and efficient operation, the District utilizes several products and services that involve third party contractors receiving access to student data, or principal or teacher data, protected by Section 2-d of the Education Law. The District recognizes that students, parents, and the school community have a legitimate interest in understanding which of the District's vendors receive that data, for what purpose, and under what conditions. The District has undertaken the task of compiling that information, and of insuring that each new contract adequately describes (1) the exclusive purposes for which the data will be used, (2) how the contractor will ensure that any subcontractors it uses will abide by data protection and security requirements, (3) when the contract expires and what happens to the data at that time, (4) if and how an affected party can challenge the accuracy of the data is collected, (5) where the data will be stored, and (6) the security protections taken to ensure the data will be protected, including whether the data will be encrypted.

*"Our vision is to provide a safe and caring environment in which our students can develop academically, creatively and socially. Each member of our school community will demonstrate personal integrity, a commitment to learning and an appreciation for cultural diversity."*
